

SETTING GOALS FOR 2017-18

SUGGESTIONS FROM THE ADMINISTRATIVE TEAM

SUGGESTED GOAL 1:

- **Our students will show academic growth as measured in multiple ways.** For example:
 - Performing at or near grade level in reading by 3rd grade
 - NYS Assessment building wide growth scores
 - Passing and achieving mastery on ELA and Algebra Regents Exams
 - Ability to use math and ELA skills to solve real world problems
 - Programs and initiatives to challenge all levels of learners
 - Student engagement and success in the classroom
 - Declassification of students who are ready

SUGGESTED GOAL 2:

- **Develop a culture of reflective practice** as measured by (for example):
 - Pre/Post observation conversations
 - Personal goal setting
 - Strong mentoring program
 - Teacher visitations and networking
 - Data analysis leading to change in instruction

SUGGESTED GOAL 3:

- **Develop a positive work and learning environment** as measured by (for example):
 - Staff surveys
 - Student surveys
 - Celebration of successes (teacher of month, student of month, shared ideas, etc.)
 - Continued "mindset" work with students and staff
 - Improved attendance for both students and staff
