## Book fair coming soon:

The Newfield Elementary School Library will be holding a Scholastic Book Fair June 1st through June 8th. This fair is an event that brings the books kids want to read right into our school. It's a wonderful selection of engaging and affordable books for every reading level. Our goal for the book fair is to earn enough money to once again purchase one book for every student Pre-K through Fifth Grade for summer reading.

The childcare program for 3-5 year olds will be held from June 26-August 18, 2017. Please contact Maria Lloyd-Jones at 564-9955 ext. 4103 for more details.

PBIS Topic of the Month:

**Responsibility**

Question: Ask your children – if they are in charge of their behaviors, words, and actions, or if they are in charge of something (job) or someone (sibling).

**“What if game...?”**

During the in-class lessons for responsibility we spoke about how farmers bring food to our tables. If farmers decided to do something different, instead of their work, we would not have delicious food to eat. We count on others to do their jobs and we all have jobs to complete.

Responsibility Lessons:

During the responsibility lessons for K-2<sup>nd</sup> grade we read, Horton Hatches the Egg by Dr. Seuss. We spoke about how Horton took responsibility for the abandon egg and stayed faithful 100%. Students recognized that they all have responsibilities and that being responsible shows good character.

During the responsibility lessons for 3<sup>rd</sup>- 5<sup>th</sup> grade we completed the **“Responsibility Files.”** We spoke about how we all have responsibilities at home, school, and in the community. We also spoke about how, at times, we need to take fault or responsibility – for our actions.
