

# Newfield School CENSUS 2015

NYS recommends that school districts conduct a census of all the children of the district. To help save costs, we are asking that households fill out this form, and return it to the school.  
**\*\*You may send it in with a child, drop off at any school office, fax to 330-9001 or scan and email to cloughlin@newfieldschools.org.\*\***  
**THANK YOU for your attention & cooperation,**  
**our goal is to avoid the expense of visiting each household and going door to door.**
