

PTA Membership Form

All parents and teachers are encouraged to participate in the Newfield PTA and its many programs. We want to help you get involved with supporting the school and our children in many ways – through volunteering on a regular or occasional basis, organizing enrichment opportunities, raising funds for special programs, publishing a newsletter, and more. The PTA serves the needs of parents by offering information about school curriculum and programs, about other programs within our community, by providing a forum to voice issues or concerns to school officials, and by providing a means of making new friends.
