

November 2020

I would like to wish you all a Happy Thanksgiving. There is so much to be thankful for even in a time of change and a pandemic. I want to acknowledge the sacrifices, commitments and dedication to our students and community demonstrated each day by teachers, parents, service providers and community members. It is not easy, and being able to work together is one of the things I am most thankful for this year. I hope you will be able to have time with loved ones over the break while being healthy and safe.

High School Absences, Doctor Appointments, and Excuses

Many high school parents ask if his/her child needs a note for being late, absent, or excused for an appointment. The answer is, yes. Please send notes in with your child for absences, late arrival to school, or early release for doctor appointments. All notes need to have a parent/custodian signature on them. If you plan to have your child picked up, please let us know the name of the pick up person. We cannot release students to non-custodial parents without the parent's permission. The pick up person should be prepared to show ID to the camera when they ring into the office.
